 CROSS-COUNTRY SKIING AND SNOWSHOEING  
 THE CABIN TRAILHEAD IS LOCATED AT  
 4686N FIERICK RD, MERCER

The Mercer Cross Country Ski Association (MECCA) is a non-profit 501(C)(3) volunteer organization. The 21Km cross country ski and 2.1Km snowshoe trail system traverses lands owned by the Town of Mercer, Iron County, Wisconsin Department of Natural Resources, and private property through cooperative agreements. MECCA volunteers routinely groom the ski trail system and maintain the cabin and support buildings.

Please support these volunteer efforts by donating the recommended amount: Adult \$8.00, Juvenile (under 16) \$3.00, Car Load \$20.00, and Dog \$1.00. Donation boxes are located at both trailheads. To provide more financial or volunteer support, join MECCA by visiting [SkiMECCA.org](http://SkiMECCA.org)
